Hon'ble Sir,

Kindly recall the discussions we had with your goodself on a couple of occasions during the month of May 1995 regarding our demand relating to Adoption of Rs.1640-2900 scale for Assistants (G) and Sr.Stenos. In this connection, we have great pleasure in informing you that the above demand has been fulfilled by DG, CSIR on 9th June 1995.

On behalf of the CSIR Federation and on my own behalf, I take this opportunity to profusely thank your goodself for helping us in getting our above demand fulfilled from CSIR, whose Vice-President is Hon'ble Shri Bhuvanesh Chaturvedi and President is Hon'ble Shri P.V.Narasimha Rao. But for your goodself's intervention, we would not have been able to get this scale adopted in CSIR, inspite of our 48 days of dharna and 3 days of relay hunger strike.

We once again thank your goodself for helping us out in this direction.

Your kindness and help in this regard will go into our Federation records for ever.

With very kind regards,

Yours sincerely,

  
(N.Suresh Prasad)

To : Dr. S.K. Joshi  
Director-General  
C.S.I.R.  
New Delhi - 110 001

Dear Dr. Joshiji,

At the outset, on behalf of the Federation and on my own behalf, I convey my deep sense of gratitude for fulfilling the major demand relating to Adoption of Ra.1640-2900 scale for Assistants (G) and Sr.Stenos and other demands like grant of night duty allowance, extending the benefit of induction till December 1996 (by removing the condition of 50 years) and grant of 15 days special casual leave for the WC members of Federation for attending to Federation work.

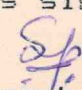

While the administrative order for the major demand has already been issued, the orders/circulars for the other three issues have not been issued yet. We request you to kindly arrange issue of the necessary orders on the three remaining issues at the earliest. We hope you will certainly do the needful in the matter before you relinquish the office of the Director-General.

It is worth mentioning here that during your tenure as Director-General, the relationship between the Federation and yourself was very cordial and to a greater extent there was congenial working atmosphere. Also during your period, you have been able to guide the CSIR laboratories to generate 50% external cash flow, which was under no circumstances an easy task. With the foundation already laid in terms of generating external cash flow, we are sure the incoming Director-General will have little difficulty in keeping up the pace.

On behalf of the Federation and on my own behalf, I wish you a very happy, healthy and long retired life. Best wishes to your family also.

With kind regards,

Yours sincerely,

  
(N.Suresh Prasad)
