Dear Suresh

Thanks for your effort.you are trying hard that too alone.I don't know how far people will remember all this when house will be set right.I feel proud to be associated with you.Even today few people like you who are striving hard for the benefit of others and hopefully for a day of sunshine.

However,how far your effort to use KD & SKB for Supreme court case has gained momentum?

With revolutionary greetings,
abhijit majumdar
