Sir,

We heartily congratulate you on yourself being bestowed with the honour of holding the post of Additional DGCSIR besides executing the functions of Secretary, DST. Being a part of CSIR fraternity earlier, now occupying the Additional DGCSIR's position itself speak volumes on your dedication, immense capability and the confidence that the Government of India has reposed on your Hon'ble Self. We wish you and your family a very healthy and long life.

It may be recalled that in the CSIR set-up, there existed Federation of CSIR Employees' and Workers' Unions and Associations since 1970, and is still existing of-course in the name of All-India Association of CSIR Employees. We have been in this Association for the past two decades. Till the year 1999, CSIR and its Labs. used to hold periodical and constructive meetings with the representatives both at the Central as well as at Lab Levels, and the relationship was very cordial. But, since 2000, due to various reasons, the CSIR did not hold any meetings with the representatives till date. We are sure, your goodself will remember N.Suresh Prasad who has been in the Federation for the past 12 years, and who had held 2-3 meetings with your goodself at Chennai when you were the Director of CLRI.

Hon'ble Sir, under your able leadership (as Additional DGCSIR), we would like to desperately meet you since the former DGCSIR has never met us during the last 7-8 years. This meeting will help us to vent our genuine vital grievances.

We request you to please provide a date for meeting us (6- 8 members - or the

number can be decided by you) - atleast informally - at your earliest convenience. Your informal meeting, prima facie, as staff members of CSIR itself, will strengthen the bond of Employer-Employee relationship, which is an inevitable factor under the present globalized days where HRD has been given a prime place.

We assure your goodself that the requested INFORMAL meeting will focus only on vital and general aspects which will be aimed to revive/re-build and improve the earlier existing cordial relationship between Employer and Employee.

A line in reply is highly solicited.

Thanking you and with kind regards,

Yours sincerely,

N.Suresh Prasad

Dear Friends,

We are very happy to inform you all that Dr. T. Ramasami, Additional DGCSIR, has kindly agreed to meet 7-8 members of the Federation on 21.05.2007, ofcourse purely as CSIR staff members - not as Federation representatives - at CSIR HQs., New Delhi. After continuously striving for the past 7-8 years, we have been bestowed with the opportunity to meet the DGCSIR atleast informally. This is certainly a good sign for the Federation to revive its activities. The amount of struggle and efforts that both myself and Shri Abhijit have put in this regard, just cannot be explained in words. Anyway, we are sure, in this meeting we will be able to putforth our views before the DG and other CSIR officials in the most logical and constructive way. It was informed by Mr. S.C.Kalra, PPS to DG, that the CSIR will not communicate us in writing about the meeting - Only through telephone all conversations/correspondence will be held.

In consultation with Shri S.K.Bhattacharya (President, Federation), it has been decided to hold an enlarged WC meeting on 20.05.2007 at Maharani Bagh Guest House, and the following will be attending the meeting with DGCSIR on 21.05.2007 :

1. S.K. Bhattacharya, NBRI, Lucknow
2. N.Suresh Prasad, CFTRI, Mysore
3. N. Chandrashekar, CFTRI, Mysore
4. Paban Kumar Mukherjee, CGCRI, Kolkata
5. Prosenjit Ganguly, IICB, Kolkata
6. C.R. Mahantha, CFRI, Dhanbad
7. N.N. Borah, RRL, Jorhat
8. Harry Thomas, CLRI, Chennai

Shri Harry Thomas despite not being a WC member, it has been felt that his presence in the meeting with DG will help the Federation, as Dr. T.Ramasami was the former Director of CLRI, Chennai.

Since Rajkumar Verma is from Delhi, we will try to take him also to the meeting.

TA by second class for WC Members - Shri Premjeet Singh, NML (Jamshedpur) and Shri R.P. Maurya, CDRI (Lucknow), will be borne by AIACE/Federation.

Shri K.D. Sharma and Shri Abhijit Majumdar will also be requested to attend the Enlarged WC Meeting on 20.05.2007 at Delhi. Their TA also will be borne by the Federation.

The above 8 members are requested to please confirm by return of mail or fax, their visit to Delhi on 20.05.2007. The above 8 members' visit to New Delhi will be treated as OOD and their TA/DA will be borne by the respective Institutes. The seven members may immediately book their train reservations from their own money. At a later date, we will inform all these eight members to write to your respective Directors for seeking their Director's approval for visiting Delhi. Please wait for our correspondence in this regard.

All the General Secretaries/representatives of affiliated units of AIACE/Federation are requested to attend the enlarged WC meeting of Federation on 20.05.2007 positively (from their own funds). This is a wonderful chance for all of us to meet and discuss basically on our vital issues confronting all of us, with special emphasis on seeking recognition as per CCS(RSA) Rules-1993. We presume this to be a last opportunity (under the present circumstances) to join together and put all our efforts to revive our Federation and its units.

All the WC members and General Secretaries/ representatives of affiliated units (except the above eight members) who are likely to attend the Enlarged WC meeting are requested to please book your accommodation at Maharani Bagh Guest House from your side itself. For the above eight members, we will book accommodation at Maharani Bagh Guest House through CSIR itself.

[The letters written through e-mail to Dr. T.Ramasami requesting for an Informal Meeting are sent by separate mails. Please go through the same and give your feedback]

PLEASE CONFIRM YOUR VISIT TO NEW DELHI AT THE VERY EARLIEST.

With fraternal greetings,

N.Suresh Prasad
